## BIOGRAPHY

William D Banks AKA “Dula Banks” originally hails from Saginaw, Michigan and grew up in Tuskegee, Alabama. In 2016, while at a friends studio, he decided to record a song and realized that he had a great sound and could potentially be an artist. Having a raspy voice and a way with words allows Banks to create a sound that stands out from other rappers.

Banks Hip-Hop influences include Jay Z, 2 Pac, Notorious BIG, 8 Ball & MJG. Banks has had the opportunity to open up for Maceo and Larue and hopes to collaborate with more artist and the LOAD BREED roster in the future. Stay tuned for Dula first release “DULA BANKS” dropping 2021.
