BIOGRAPHY

At the tender age of 3 Fonzshui received his first set of turntables and a drum set the following year. In middle school he joined the band and learned to play over a dozen percussion instruments. 2015 is when Fonzshui really started to take music seriously and started rapping. Fonzshui is a creative who lives to be creative in all of his endeavors. Growing up, he would gain musical inspirations from the likes of Boosie, Outkast, Raheem, Kilo, Dj Taz, 8Ball and MJG, & Goodie Mob. His biggest motivator is Monsta Luther King the CEO/Founder on LOAD BREED.

Fonzshui has a dream of opening a foundation for under privileged kids that is geared toward introducing them to the music industry and marching bands. He has owned a clothing boutique since 2018 and is currently working on a new clothing line to be introduced in Spring of 2021.

His first musical debut is entitled "BIBLE" (Basic Instructions Before Leaving Earth) and is set to be released in 2021.
