## BIOGRAPHY

Slum Beautiful is a DC Born, ATL bred, rapper who has always had a passion for music. The love of music for Slum Beautiful started at an early age when she was exposed to the likes of James Brown, Betty Davis, Nina Simone, Chuck Brown & all things Go-Go. She felt that the music was therapeutic and begin to put pen to pad.

Slum idolizes no one, however she has always prided herself on giving the upmost respect for those that were responsible in providing her with life lessons that enabled her to become Slum Beautiful. She aims to create music for those who are authentic, genuine, and those who do them regardless of who may be watching.

Slum has been apart of the LOaD BREED brand since its early stages. She currently has a feature on Monsta Luther King's song "Ride or Die" currently available on all streaming platforms. Stay tuned for more music to be released in 2021.
